4-H LIVESTOCK AUCTION, THURSDAY, July 24, 6:30 p.m. in the Pavilion
Chairperson - Alan Quick (765-325-2979)

This is an opportunity for vendors and the business community to participate in the promotion of livestock projects. Come early (6:00 p.m.) and get your bid number. A complimentary meal is provided for all buyers. What you bid is what you pay. Animals will be turned back to the appraiser. This is a great way to contribute and gain recognition. Proceeds go directly to 4-H members.

Sale Order – Rabbits, Goats, Beef, Poultry, Swine, and Sheep
Auctioneer—Marvin McIntyre & Tom Dull

LIVESTOCK AUCTION

1. The 4-H Livestock Auction will be held during the 4-H Fair in the Show Arena. (See Fair Catalog for specific date and time.)
2. Only animals that have been exhibited at the 4-H Fair are eligible to be sold. A 4-H member may sell only one species of animals in the auction. The sale will be limited to one of the following: one steer or one market heifer only, weighing at least 800 pounds; one barrow only, weighing at least 170 pounds; one wether goat only, weighing at least 40 pounds; one lamb only, weighing at least 50 pounds; one pen of three meat rabbits only or fryer rabbit, weighing not less than 3 pounds or more than five (5) pounds each; one pen of two meat bird hybrids (Cornish Cross) weighing 4.0-10.0 pounds each.
3. The order of selling will be rotated each year. The 2008 sale order is 1) Rabbit 2) Goats 3) Beef 4) Poultry 5) Swine and 6) Sheep (the species selling last this year is first next year).
4. Club members may sell additional animals at appraised price without going through the auction, or may take them home. To sell additional animals, they will have to weigh the following: market lambs, at least 50 pounds; steers or market heifers, at least 800 pounds; and rabbits, at least 3 pounds each.
5. To help cover expenses, 4-H members selling animals (appraiser or auction) will be asked to pay a fee that is to be determined by the 4-H Fair Board no later than April 1 per entry when they nominate their animals to be sold. Fees are payable to Boone County 4-H Club, Inc. The fees for 2008 are \$5.00 per appraiser animal and \$10.00 per auction animal.
6. No animal will be allowed to be sold through the auction if shown in a breeding class. Any animal sold in the auction is ineligible to be shown again in the Boone County 4-H Fair or Indiana State Fair.
7. There are several restrictions on the use of medicated feed. Check with your supplier about withdrawal periods required prior to the sale of any animals to be placed in the 4-H Auction. No tranquilizers may be given to food producing animals.
8. Prior to the 4-H Fair Auction, 4-H Livestock members will be informed concerning the time for nominating, weighing, and numbering of animals to be sold.
9. All animals in each species will be identified in the same manner at the time they are weighed and appraised.
10. Prior to the sale, all steers or market heifers, barrows, wether goats, lambs, rabbits and poultry to be sold will be appraised by a market buyer and a current market price will be established. No animal will be sold below the appraised price. Rabbits and poultry will be appraised by the pen.
11. The order of selling within a species will be determined by the project leader.
12. The last time a 4-H member may nominate or change his nomination of his animal(s) for the 4-H Auction is one hour after the championship drive of that species. **Exceptions will be allowed for grand or reserve grand animals only.**
13. All Grand Champion animals that sell in the auction must sell first. If the Grand Champion animals of any species do not sell, the Reserve Grand Champion will have the option to sell first.
14. For advertising purposes, firms or others may bid a premium on steers or market heifers, wether goats, barrows, lambs, rabbits or poultry. Auction animals premiums will be bid on a “per head” basis, not “per pound”. Buyers will not be responsible for the disposition of the animal, as they will all go to the appraiser. Premiums should be paid to the 4-Her within one week following the auction.
15. Following the sale, each club member must stay with the animal until it is properly penned or loaded on the buyer’s truck. Each exhibitor must clean out their own stall. The project leader and 4-H members are responsible for tear down and cleaning of the barns or tents after the auction.
16. All animals going through the auction are to go to the appraiser, **NO EXCEPTIONS**. If an animal goes through the auction and does not go to the appraiser, that 4-Her loses the privilege of selling in the auction the following year.

17. Immediately following the auction, buyers may pick up the invoice(s) for purchased animals at the 4-H Show Arena stage.

18. All 4-H members that sign in and work at least two (2) hours at fair clean-up will be able to pick up their check for the appraised value of the animal sold in the livestock auction plus any animals sold directly to the appraiser. Checks will be mailed from the Extension Office one week after the fair to any 4-H member who is not listed on the sign-in sheet or who does not work the full two (2) hours at fair clean-up.
