

## **Buy a Brick**

A brick sidewalk will be built encircling the Mrs. Sandra Graef Memorial Bench on the south side of ZMS. The sidewalk is meant to beautify the school, honor Mrs. Graef, and allow students and parents of Zionsville to remember her. To fund this project, you can buy a brick with an inscription of your choice, with a total of up to 36 characters in 2 lines. The price of each brick is \$30. Please make checks payable to ZMS PTO.
